Study Objective (for Master's and Doctoral applicants only)

This section is very IMPORTANT: As part of the evaluation of your application, you are required to attach a one page (please do not exceed the 1 page limit) clear and detailed description of your study objectives. Give your reasons for wanting to pursue your studies in the U.S. Describe the kind of program you expect to undertake, and explain how your proposed field of study fits in with your educational background, your future objectives, and your future involvement in community development.

Statement of Proposed Activity (for Research applicants only)

Project title: _____

This section is very IMPORTANT. Please write, between three to five pages, a clear and detailed description of your proposed activity including the following items: (1) **Background:** When possible, place the project in academic or professional context by referring to the major work by others on the topic. In some cases this can be aided by use of a select bibliography. (2) **Objective:** Define clearly the aims of the project. (3) **Methodology:** Describe the project and explain the approach and methods you will follow. (4) **Significance:** Explain the significance of the project for the field, your own professional development, and home country. (5) **Others:** (a) Indicate why residence in the United States is necessary for accomplishment of the project. (b) Explain how your project can be completed within the time period requested.
